## **Eunos Roadster MX-5 Mk1 Mk2 Mk2.5 Mk3 Mk3.5**

Which model have you got? We make no distinctions between the MX-5 and the Eunos Roadster. We know they are the same car! All parts for Mk1 models will fit any Mk1 or Eunos Roadster unless otherwise stated. The easiest way to tell which car you have is by the headlamps. Mk1 models all have "pop up" headlamps, whilst all Mk2 models have "fixed" headlamps. Mk3 models from 2005 onwards also have fixed headlamps, so the best way to check is with the chassis number. Mk1's from 1989 to 1998 will start with NA, Mk2's from 1998>2005 start with NB, and Mk3's from 2005 on start with NC. We refer to the Mk2 2001 on facelift model as the Mk2.5, and the new Mk3 2009 on facelift as the Mk3.5.

Will it fit? Parts marked all models, fit all models. Those marked Mk1/Mk2/2.5 are different for each model but available for all. Those marked just Mk1, Mk2 Mk3 or Mk3.5 are only suitable for the model indicated.

We believe in the quality of every part we sell and even offer a

### **30 day Money Back Guarantee**
